Earn 7.00% APY* on your Savings and Checking Accounts.

Giving back to education begins with giving back to members.

Unbeatable yields for unbeatable members.

All banks offer convenient automated payroll deposits, but Inspirus isn't just "any bank." When you use automated deposits, we give you more – investor-worthy dividends and, for qualified members, discounted loans and free checks.

Here's how: Ask your employer to set up automated deposits for all or part of your paycheck to your Inspirus savings or checking account. Provided you also use eStatements for those accounts, you'll earn 7.00% APY on any amount up to \$500 in your savings account and 7.00% APY on any amount up to \$500 in your checking account.**

Step 1: Sign up for FREE eStatements. Replace your paper statements with an online version that's available 24 hours a day. Security experts recommend electronic statements as a smart way to trim your paper trail and reduce your risk of identity theft. Once you enroll, we'll even begin building a 14-month online statement archive for you. To sign up, please visit our website, log into Online Banking, and click on "eStatements & Notices."

Step 2: Set up automated deposits to either your savings or checking account for all or part of your paycheck. See your payroll office for details. You'll likely need to provide the information on the back of this form.

The sooner you take advantage of this member giveback, the sooner your dividends add up!

* APY = Annual Percentage Yield. 7.00% APY valid as of April 1, 2016. Rates may change at any time. Fees may reduce earnings.

** For amounts over that, you'll continue to earn the credit union's regular competitive rates. The benefit will be limited to one savings and one checking account receiving eStatements and direct deposit/payroll deduction per primary account holder. For savings and checking accounts, the rate will be applied to the accounts that have been open the longest. Youth accounts (M3 Money Club and Elements of Money) qualify without automated deposits. Specialty accounts like IRAs and UTTMA trusts are ineligible. Terms and conditions of this program are subject to change without notice. Please see our website or contact us during regular business hours for details.
