The new Inspirus Visa Signature Credit Card offers unlimited 2% cashback. Cardholders get 2% cashback on most purchases everywhere they shop, which makes this credit card great for everyday spending. “Our goal in creating this card is to provide great value to our members through credit card rewards,” said Vice President of Strategic Initiatives, Collin Campbell. “This ground-breaking credit card exceeds our expectations and we hope to share the extraordinary value of this card with others statewide.”

With an APR as low as 9.00% and a maximum of 15.00%, there aren’t many cards that can top these rates. Annual percentage rate is determined based on an individual’s creditworthiness.

Individuals with lower-than-average credit scores can easily apply for an Inspirus Visa Signature card and earn cash-back rewards while working to re-build their credit. These perks and more are what sets this card apart from others in the industry.

- No annual fee
- No foreign transaction fees
- Free 24/7 concierge service
- Travel and emergency assistance
- Fraud prevention and protection
- Price-match protection
- Auto rental collision damage waiver
- Cell phone protection, up to \$250

Whether cardholders want cashback rewards on most purchases or are working to save for their next adventurous trip, this is the card for them.
