

Wiring Instructions

We can receive and send money by wire on your behalf. There's no fee to receive a wire transfer.

Please follow these instructions for incoming wires:

SEND TO:

Inspirus Credit Union
5200 Southcenter Boulevard
Seattle, WA 98188-7910

ABA Routing Number: 32508226-6

CREDIT TO:

Beneficiary name (the person receiving the funds).

Account type (savings or checking).

Account number:

- To deposit to SAVINGS, provide your account number followed by your two-digit share ID number.
- To deposit to CHECKING, provide the 14-digit MICR number located at the bottom of your checks.

Please follow these instructions for outgoing wires:

Please contact the recipient or recipient bank to get the wiring instructions (this can differ from the account information on the bottom of a check). We also will need the addresses for all parties involved. Missing or incorrect information can delay the processing of the wire and can even result in the wire being returned or applied to the wrong account. We are unable to guarantee when the recipient will receive the funds. Please print and complete the Outgoing Wire Request form, then fax it to 206-676-1008. If you're named on an account to which you're wiring funds, you also have the option of wiring by phone, 1-888-628-4010, from 7:30 a.m. to 5:30 p.m. For same-day processing, domestic wire requests must be submitted and verified by 12:00 PM PT. International wire requests must be submitted and verified by 10:00 AM PT.
