

Celebrate what inspires you, and pass it on

RELAX. RECHARGE. STUDY. TRAVEL. Or just catch up on projects around the house. No matter how you celebrate summer, Inspirus is right there with you, giving you the best values on the financial tools you need to make the most of the season (see page 2).

In honor of our 80th anniversary, we kicked off a summer of celebrating education by randomly choosing a date to fund all of the DonorsChoose.org requests posted for Spokane-area schools. We call it “flash funding,” and on May 26, we donated \$30,944 to 42 projects at 19 schools. It prompted Mrs. Terry from Whitman Elementary to write,

“It really will make a huge impact on my students who have not had much access to books at home. I know these books will be put to great use and will be well loved. Your contribution is greatly appreciated.”

Watch for more anniversary flash-funding throughout the year. And remember, the more you use Inspirus services, the more we can give back, since we donate a portion of our net earnings to the education community. Think of it as telling the world “education matters to me” each time you swipe your Inspirus Visa, save with an Inspirus loan, or deposit your paycheck to your Inspirus account. ((168374))

You also can spread the “everybody wins” message by inviting your family, friends, and co-workers to join. It’s now easier than ever for them to bank with Inspirus, thanks to shared branching. In the not-for-profit spirit of cooperation, we’ve joined with other credit unions that welcome each other’s members to use their branches. That means you can walk into any shared-branch credit union (5,000+ nationwide) and do your banking the same as if you were in our lobby.

We’ll continue to mark this 80th anniversary with more value for members. For the first time in 80 years, we’re offering Certificate accounts (a longtime member request), and we’ll soon launch an exceptional auto-loan offer. And, of course, we’ll keep working to honor the difference you make in the lives of students across the state by sharing your passion for education. That’s something worth celebrating all year long!

With thanks,

Scott Adkins,
President & CEO
