

## Experience the joy of giving every day

IN THIS SEASON that celebrates giving, it inspires me to know that the joy and fulfillment we experience now doesn't have to end when we turn the calendar page. It's a feeling all of us with a passion for education can live throughout the year. ((88475))

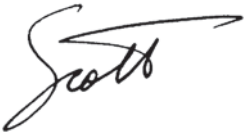

When you joined member-owned, not-for-profit Inspirus Credit Union, you told the world "education matters to me." And you became part of a movement that's quietly redefining financial success. Each time you choose Inspirus instead of a bank for your loans, credit cards, and everyday accounts, you guarantee that part of the proceeds go back to the community – not Wall Street stockholders expecting a payout.

Put another way, the more we grow, the more we give back. This year, your support enabled givebacks like these:

- **\$55,000 to DonorsChoose.org.** As we celebrate our 80<sup>th</sup> year, we've [flash-funded all DonorsChoose.org](#) projects in select cities throughout Washington on randomly chosen days, benefiting more than 12,400 students across the state.
- **\$10,000 to Fred Hutchinson Cancer Research Center's [summer internship program](#)** for high-schoolers interested in a medical research career. ((233374))
- **\$20,000 commitment** to the [Green River College Completion Fund](#), providing scholarships for students to finish their degrees and reach graduation.
- **\$16,000 in school-foundation matching funds** when members gave during their annual drives. ((17422))
- **In-kind gifts** like our current [Spirit of Giving partnership](#) with the City of Tukwila to support housing-insecure children with donations of warm clothes, bedding, and educational toys.

On behalf of all of us at Inspirus, thank you for your willingness to walk a different path, one that's made a real difference in so many lives. We wish you and your family a wonderful holiday season. And we can't wait to share the year ahead as, together, we continue to make the joy of giving an everyday reality.

Onward!
